Dear Partner:

God bless you! I've just received some pictures from Hogar Del Rey, our home in Gómez Palacio, and wanted to share them with you. While I realize that February is *Sweetheart* month, these "Sweetheart" pictures were snapped at Christmas. Don't you just love those expressions? Makes you want to hug 'em pretty tight, doesn't it?

The city of Gómez Palacio is located in the state of Durango, Mexico, about 400 miles southwest of Eagle Pass, Texas. As you can guess, we do not travel there often!

Brother Elias Ramirez and his wife Rayito, directors of Hogar Del Rey, opened the home under the umbrella of Bob King Ministries in 1995 and have led hundreds of children to the Lord Jesus Christ during the past nineteen years. Presently Hogar Del Rey has two youths who attend the university, two children who attend middle school, seven are in elementary and the rest are still at home. Brother Elias travels to report to me every six months.

In addition to the Home, Brother Elias pastors a church, Centro Familiar Cristiano Del Rey which also operates under our umbrella. Brother Elias reports that the church is stable and growing.

There is a special need I want to present to you. **I ask that you, your friends and your churches unite in prayer for Sister Rayito.** She is ill and has undergone surgery, completed chemotherapy treatments and has begun radiation. Believe God with us for a complete healing in Jesus' name (Isaiah 53:5; 1 Peter 2:24). Pray also for Brother Elias, the children, the staff and the church. They all need "Mama"! *"The earnest prayer of a righteous person has great power and produces wonderful results."* (James 5:16 NLT) Amen!

**What a difference knowing Jesus makes!** Thank you with all my heart for faithfully supporting this work of the Lord. It takes all of us together to get the job done! You are making a difference in the lives of little ones—and the future of the world! I am asking God to send more partners to be prayer warriors, and those who will be willing to help carry the financial load. **Thank you and God Bless You!**
