Lucero testified that she was on the bus on her way home from school when she was prompted to pray for a lady who seemed to be ill. Several passengers listened as she told them about Jesus. Lucero found Jesus when she entered Casa Del Rey in July of 2013.

Joaquin wanted to share a special song with the congregation. He also plays the drums for church.

Felipe Isaac leads the worship service at Pacto de Paz on Sunday mornings.

Our young people love the Lord and love to participate in the worship service.

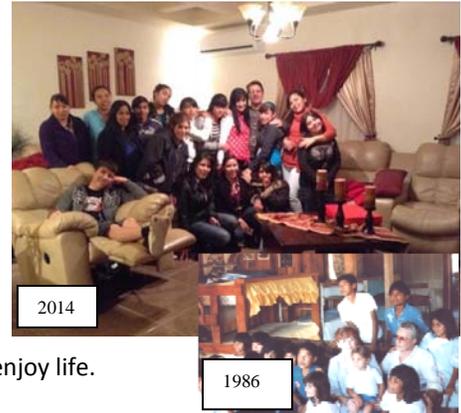

My Dear Partner:

God bless you! June 2nd was Casa Del Rey's Birthday. Thank you for so faithfully standing with us for **twenty-eight years!** Time has passed so quickly. It is hard to believe that the children who entered our home in 1986 are grown and have children of their own. Many of these former residents have called either me or Felipe and Angelica, to say **"THANK YOU for what you did for me!"** I gladly pass those expressions on to you. Thank you for your gracious love and kindness in supporting this work! As we all know, it has been accomplished by His Grace! Bless the Lord. Below are some "Then and now" pictures. They bring back a lot of wonderful memories for me! God is so good.

Felipe and Angelica Recio have held positions of confidence and trust with BKM since 1991.

As most of you know, Brother Felipe is Director of Mexican Affairs for Bob King Ministries/Hungry Kids International. Felipe and Angelica are also house parents at Casa Del Rey, a position they have held since 1991. Additionally, he pastors Iglesia Pacto de Paz in Piedras Negras. Brother Felipe, Angelica and the children call the parsonage (right) that you built for them, **home**. It is the hub of activity. Although the children sleep in their dormitories, this house is where they live and enjoy life.

I have two prayer requests to share with you. Recently Angelica underwent a very serious surgical procedure in which about a third of her colon was removed. A polyp inside the colon burst. She is at home now and resting well although, of course, she is weak and cannot do any work. Thankfully the girls are taking really good care of her. She is scheduled for surgery again in about two weeks. At that time, they will attempt to reattach the colon. Please keep her name before The Father in your daily worship at home as well as including her name on your church prayer chain. Thank you.

If you remember, some time ago I asked prayer for Rayito, wife of Brother Elias in Gómez Palacio, who was undergoing treatment for cancer. I am happy to report that she is recovering. Thank you for your prayers and I shall appreciate your contending before The Father for her complete healing. Elias and Rayito are directors of our children's home in Gómez Palacio, *Hogar Del Rey*.

Thank you for your prayers and support as we continue to bring the children to Jesus!
