Blessing children in Mexico and other countries

Pedro tells a Bible story to Rancho Del Rey and neighborhood children.

Casa Jovenes Del Rey boys enjoy worshiping with a men's group in Piedras Negras.

Lizbeth gets a hair cut from Angelica in our "home" beauty salon.

Angelica enjoys a visit from Esmeralda who grew up in Casa Del Rey. She and husband Josh serve the Lord in evangelistic work—more fruit of your faithfulness in giving.

Dear Partner:

God bless you. Praise God for Jesus' Resurrection from the dead and what He did on Calvary! If it were not for Him, our labor would be in vain. In fact, there would be **no** "good works", **no** children's homes, **no** rescue missions; **no** testimonies of joy ... and no hope. No hope at all! But thank God, through Jesus Christ **we have hope!** Hope for tomorrow and hope for the future!

And I want to share with you one such testimony—a testimony of hope and of great joy. It happened because of you, our partners, and one lonely and confused little girl.

Maria (we called her Lupita then) entered Casa Del Rey soon after my late husband Bob and I opened the home. There she learned about Jesus and how much he loved her. She invited him to come into her heart.

After she grew up, she left our home and, several years later, moved to a city in the United States, found a job and went to work. Years went by and her commitment to the Lord grew cold, although she continued to keep in touch with "Mommy" and "Papi" (Angelica and Felipe). One Christmas she called Mommy Angelica to come visit. She needed to talk. It was during that visit that she made a full commitment to the Lord Jesus. Today, she and her husband Juan regularly attend church, love the Lord with all their hearts and are now the proud parents of a baby boy whom they have named Samuel.

The children who live in our homes today may feel just as alone and confused as Maria Lupita did twenty-five years ago. That is why we plant HOPE in Jesus in their young hearts while they are with us so that, as they mature and leave our care to establish homes of their own, they can face life's challenges knowing who they are in Christ. Lupita's story is only one of many stories of a child who grew up in our care, gave his or her heart to Jesus and learned how to establish a Godly home. This is possible **because of YOU!** Thank you for giving to THE LORD!
God bless you.

Staff meeting in Felipe's home. (l-r) Ramon, Norma, Chuy, Damaris, Magie, Claudia, Felipe, Angelica, Fabiola and Pedro holding babies Zoe and Pedrito.

Maria and her husband Juan Rivera beam their joy over little Samuel. Without you, her story might have been much different.

Thank you ever so much for your generous help with the repairs to the bathrooms in the girls' dorm. I expect to have pictures to show you in next month's Partner letter.
