Blessing children in Mexico and other countries

Angelica holds Joshua James Haver as new mom Esmeralda looks on.

Children's ministry at Rancho Jovenes Del Rey.

Repairs are coming along nicely although there is still more to be done.

Dear Partner:  
God bless you! On June 2, 1986, we opened our first children's home, Casa Del Rey. Thank you for your love for Jesus and the precious children whom God has brought to us over the past twenty-nine years! Since opening the homes, thousands of children have learned that Jesus loves them!

Joshua and Esmeralda Haver and their two daughters welcome baby Joshua James into the family. Esmeralda and her four siblings grew up in Casa Del Rey. Esmeralda attended Bible school in Nuevo Laredo and married one of the staff members. Her husband Joshua is an evangelist and they minister in both Mexico and the United States. Thank you for faithfully praying for and supporting this work for God.

Bob and I met Frank Banda soon after we came. Bob spent a lot of time with him. Frank grew up in Eagle Pass and became an angry gang leader. He was in and out of jail. His gang and rival gangs would erupt in street fights that more times than not sent victims to the hospital. The wars raged until one day Frank found Jesus. His life was forever changed. He began to witness to his gang members and before you knew it, they all were born again. "Now," he wondered. "What am I going to do with them?"

"I know. I'll take them to church!" So he did. But to his great surprise and disappointment, he and his gang were asked to leave. They were not welcome there. Not to be discouraged, he started his own church, and now Pastor Banda has built and oversees numerous churches, many of which are inside the prisons. God has blessed him richly and I wanted you to know that you help to support his great work, too.

Thank you for your love and faithfulness to the Lord Jesus! God bless you!

Our young people have a passion to win the lost. They sing, preach, write their own musical dramas, pray with attendees and rejoice when souls come to Jesus! They still use the sound equipment you purchased for them several years ago.

In this drama, this precious one kneels before Jesus to receive forgiveness as the demonic forces are made to yield the soul to the Savior.

Frank and Isabell Banda pose with me. We had just loaded their truck with food for their ministry in Mexico. They will return for more in a few days. Thank you for making this possible!
